10/31/2016 | 09:07pm EDT

Cardno's Jody Kubitz will be presenting a poster at the 18th Annual Railroad Environmental Conference, Nov. 1-2, held on the University of Illinois at Urbana-Champaign campus. His presentation will focus on water quality criteria for ethanol and the need for accurate toxicity information that is critical for making decisions by emergency responders and monitoring remediation and restoration.

The 2016 Railroad Environmental Conference features presentations by engineers, railroaders, and others involved in all aspects of railroad environmental topics. The conference is co-sponsored by the Association of American Railroads, the American Railway Engineering & Maintenance of Way, as well as the American Railway Development Association.
